

Dear Parents/Guardians,

Supporting and nurturing pupil's wellbeing has become even more significant than ever in these unprecedented times.

As part of the pastoral care programme, we, in Divine Mercy SNS are very pleased to be able to provide support for pupils who may have experienced a bereavement or family change following parental separation, through the introduction of the Rainbows programmes (leaflets attached).

While Rainbows is not counselling or professional therapy, it can provide a safe space of meaningful listening support for young people at a difficult time in their lives. Meeting others of a similar age and in a similar situation can be very supportive and helpful for young people

If you are interested on behalf of your son or daughter, please complete the attached Expression of Interest below and

- E-mail to rainbowsdivinemercury@gmail.com

Or

- Leave with Reception in a sealed envelope marked Rainbows Ireland

before Thursday 16th January. It is hoped that the group will start 6th February 2025.

The Rainbows Coordinator will contact you with an Enrolment form following receipt of your expression of interest.

Kind regards,

Gráinne Farrell
Rainbows Coordinator
